Through this Agreement, the Parties have committed to facilitate open access publication of research articles and enable access to Wiley’s portfolio of peer-reviewed scholarly journals. The Parties aim to build a sustainable future that creates impact for publishing and scholarly research, and each party will work in good faith with the goal of achieving maximum participation by all eligible authors in the open access publishing services provided by Wiley hereunder. The Parties further recognize the special commercial terms on which this Agreement was based, namely that the article allocation is based on the historical volume of Hybrid articles associated with the Customer. Customer recognizes the importance of maintaining their hybrid journal publishing volume and will work in good faith with Wiley to that end.

This Agreement is entered into between Wiley and the Consortium. The Consortium represents and warrants that it has the power and authority to act on behalf of its Member Institutions (the Customer(s) as defined below) identified in Schedule 1.

The following terms have the meaning as set forth below:

- 1.1. **Agreement** means this Agreement with Wiley internal number 54057 between Wiley, the Consortium, and its member institutions, including the appendices and schedules, which are incorporated herein by reference or signed by the parties and governed by the terms of this Agreement. In the event of any conflict between the terms of an appendix, a schedule, or an Invoice Agreement Letter (or a written equivalent thereof), on the one hand and the terms of this Agreement on the other hand, the terms of the appendix, schedule, or Invoice Agreement Letter (or written equivalent thereof) will govern.
- 1.2. **Article Allowance** means up to the maximum number of Eligible Articles that may be published in Gold Journals and in Hybrid Journals on an open access basis as specified in Section 5.1. For purposes of this Agreement, the terms for Hybrid Journals apply to Flipped Journals, as described herein.

Examples of commercial use include but are not limited to copying or downloading of articles, or linking to such articles for further redistribution, reproduction, sale or licensing; copying, downloading or posting by a site or service that incorporates advertising with such content; the inclusion or incorporation of article content in other works or services (for example, a compilation produced for marketing purposes, inclusion in a sales pack, etc.), promotional purposes (e.g., advertising, inclusion in marketing collateral, use on product websites etc.), and for-profit educational purposes (e.g., Independent Medical Education, CME, etc.); linking to article content in e-mails redistributed externally for promotional, marketing or educational purposes; use for the purposes of monetary reward through sale, resale, license, loan, transfer or other form of commercial exploitation such as marketing products; except as permitted herein, print reprints/eprints.

Except in the case of written request from the Customer to the contrary, in addition to the methods set forth in Schedule 1, Wiley will enable federated authentication through Shibboleth Federation and OpenAthens using Customer's access federation and entity ID if such information is available to Wiley.
- 1.23. **Wiley Online Library** means the online service (or any successor thereto) or other platform available from or designated by Wiley including all products, services and features offered via the service. Certain products and services under this Agreement may be delivered from other platforms as noted in the Product Appendices. All rights not specifically licensed herein to the Customer are expressly reserved by Wiley. The Licensed Electronic Products are solely for the personal, non-commercial use of the Authorized Users.
- 2.4. **Perpetual Access Right.** Upon termination of this Agreement, Wiley will provide the Customer with Perpetual Access to specific content from certain Licensed Electronic Products if and only as stated in the specific product appendices ("**Perpetual Access**"); if an Appendix does not include a grant of Perpetual Access, no such rights are granted by Wiley with regard to the applicable

Licensed Electronic Product. For the avoidance of doubt, no such Perpetual Access will be provided where Wiley has terminated this Agreement for breach by Customer, or by any Authorized User. When such Perpetual Access is provided, Wiley, in its discretion, will either continue online access to the same material excluding any enhancements added to the version originally published or additional online features not provided with the print versions of such content, or provide an archival copy in the electronic medium selected by Wiley, at a reasonable cost-based fee, and subject to the security requirements in this Agreement. By providing such Perpetual Access, Wiley grants to the Customer a non-exclusive, royalty-free license to use such material in accordance with the restrictions on use specified in Section 4 of the Agreement, which restrictions survive any termination of the Agreement.

Customer may access the material on either Portico's or CLOCKSS' server, or another third-party provider designated by Wiley, free of charge, solely in the event of a Trigger Event (as defined below), as long as:

Such access will be deactivated immediately on resumption of access to Wiley Online Library.

Trigger Event means if Wiley makes a general assignment for the benefit of creditors, or files a voluntary petition in bankruptcy or for reorganization or rearrangement under the bankruptcy laws, or if a petition in bankruptcy is filed against it and is not dismissed within 60 days after the filing, or if a receiver or trustee is appointed for the property or assets of Wiley or an equivalent or similar event or proceeding occurs in any jurisdiction, or ceases its scholarly publication operations; or downtime of Wiley Online Library and/or a total loss of access by the Customer to the Licensed Electronic Products, either of which are continuing for at least 30 days

- 2.10.e. Wiley's Failure to comply with Section 2.5 will not be deemed to be a breach of this Agreement.

3. PUBLISHING RIGHT

- 3.1. **Publishing Right.** Wiley agrees, during the Publishing Right Period, in accordance with the terms set forth in Sections 3 and 5, and

- 3.1. a. Subject to the Article Allowance and the payment of the Annual Access & Journal Publishing Fees set forth in Appendix A.1, to publish Eligible Articles open access as requested by Eligible Authors in the Hybrid Journals and Flipped Journals ("**Hybrid Journal Publishing Right**") and to publish Eligible Articles open access as requested by Eligible Authors in the Gold Journals ("**Gold Journal Publishing Right**"). Wiley maintains up-to-date, publicly available, online lists of the applicable journals and the APCs, as described in Appendix A; the online lists govern the journals covered by this Agreement. The Parties agree the APCs are based on the services and value provided by the journal in which such articles are published. Wiley is permitted to change the applicable journals and the APCs from time to time (e.g., including but not limited to

where there are adjustments to Wiley's portfolio of journals, Hybrid Journals transition to fully open access journals (i.e., Gold Journals), price changes, etc.).

- 3.2. **Open Access Author Agreement.** Before the version of record is published, Eligible Authors of Eligible Articles (and, if different, the owner of any copyright in such articles), must sign Wiley's then-current open access author agreement. Eligible Authors will be able to select from the following Creative Commons licenses, as applicable for the particular journal: Attribution International (CC BY), Attribution Non-Commercial International (CC BY-NC), Attribution No-Derivatives International (CC BY-ND), or Attribution Non-Commercial No-Derivatives International (CC BY-NC-ND). The publication workflow will, whenever possible, direct Eligible Authors to CC BY as the first option if permitted by the applicable journal and its policies.
- 3.3. **WOAA Workflow.**
 - 3.3. a. **Hybrid Journals.** Under the Hybrid WOAA Workflow, the Eligible Author, as designated on submission of an Eligible Article, or subsequently identified as such within Author Services, must identify the Eligible Author's affiliation with a Customer, by selecting from a standardized list of institutions in the electronic editorial office submission and Author Services systems. Once the affiliation is identified, the Eligible Author will be presented with a choice of publishing open access. Wiley will include sufficient information and guidance to encourage Eligible Authors to publish open access as part of this Agreement (so long as the correct affiliation of the Eligible Author is captured in Wiley systems' metadata) and that they do not need to pay an APC. If an author elects not to publish open access, the article will not be covered by this Agreement.
 - 3.4. b. **Gold Journals.** Under the Gold WOAA Workflow, the Eligible Author (or the person who was designated the Eligible Author on submission and) who has submitted an Eligible Article in the editorial office submission system must input the affiliation of the Eligible Author by selecting an institution from a standardized list and, for some Gold Journals, also answer a publication charge question in order to request that the article is covered as an Eligible Article by this Agreement.
 - 3.5. c. **Flipped Journals.** Flipped Journals will follow the Gold WOAA Workflow for Gold Journals, but will utilize the Article Allowance for Hybrid Journals.
- 3.4. **Non-Standard Workflow.** For Hybrid Journals that do not follow the WOAA Workflow, Wiley will make reasonable efforts to inform the Eligible Author that the Eligible Articles are meant to be published open access under this Agreement where the Eligible Author has identified an affiliation with a Customer in the electronic editorial office submission system.
- 3.5. **Wiley will:**
 - 3.6. a. Be responsible for identifying the potentially eligible authors under this Agreement (subject to the verification process set forth below in Section 3.7);
 - 3.7. b. Not charge an Eligible Author an APC for any Eligible Article as long as the Eligible Author follows the WOAA or the Non-Standard Workflows. If the WOAA or the Non-Standard Workflows are not followed, any APC subsequently incurred by the Eligible Author is not covered by this Agreement and the Eligible Article will not be deducted from the Article Allowance as applicable. If an Eligible Author follows the WOAA or Non-Standard Workflows but did not select open access publishing, and requests Wiley to change the publication basis prior to being published, Wiley will do so, and the Eligible Article will be covered by this Agreement.

- 3.8. c. Include the Customer in the account list for all Hybrid Journals and Gold Journals as an account holder;
 - 3.9. d. Provide a link for the Customer on the Institutional Account List on Author Services;
 - 3.10.e. Identify on Wiley Online Library the Hybrid Journal and Gold Journal articles that are open access;
 - 3.11.f. Make reports of account activity available to the Consortium via the Dashboard;
 - 3.12.g. Provide the article record in the Dashboard with all necessary metadata including, but not limited to, name, ORCID (if provided) and email address of all authors, full name of author's affiliation (e.g., university), acceptance date, journal title, article DOI (if applicable), article title, article classification.
- 3.13. Open Access Conversion Right.
- 3.6. a. In Contract Year One only, Customer has the right (the “**OA Conversion Right**”) to request to cover articles that have not been published as open access and that satisfy the requirements of the definition for Eligible Article(s) in Section 1, and:
 - 3.6.a.i. for Hybrid Journals, were accepted for publication in a **Hybrid Journal** (i.e., a Hybrid Journal as of the date of the acceptance of the article) on a subscription basis for which the author has not yet selected the publication basis (subscription or open access), where such acceptance occurred between the date of the Agreement and the Publishing Right Start Date; or for Gold Journals, were submitted for publication in a Gold Journal (i.e., in a Gold Journal as of the date of submission of the article), where such submission occurred between the date of the Agreement and the Publishing Right Start Date.
 - 3.7. b. To exercise the OA Conversion Right, Wiley will provide a list of articles eligible for conversion. Then, Customer must select the articles they would like to convert and inform Wiley in writing about their selection. Wiley will contact the Eligible Authors of the selected articles for final approval, and the Eligible Author must then confirm the conversion of their article to open access publication and sign Wiley's then-current open access author agreement.
- 3.1. **Post-Publication Open Access Conversion Right.** Wiley may provide Customer with a list of published articles for post-publication OA conversion of published articles that satisfy the requirements of the definition for Eligible Article(s) in Section 1 and were accepted for publication in a Hybrid Journal (i.e., a Hybrid Journal as of the date of the acceptance of the article) for which the author originally selected publication on a subscription basis, or for which the author has not yet selected the publication basis (subscription or open access), where such acceptance occurred within the Agreement Term. Wiley will ensure the option to request Post-Publication OA Conversion Right is available to Eligible Authors for Eligible Articles via their Author Services account. The Eligible Author can request open access publication and must sign Wiley's then-current open access author agreement.
- 3.2. Verification process.
- 3.2. a. Wiley will identify potentially eligible authors through at least one of the following parameters: their organization name; their e-mail domain; or persistent identifier, such as Ringgold or another recognized institutional identifier. Once identified, they are deemed qualified as an Eligible Author for publication of Eligible Articles in Hybrid Journals and

drawdown of the Article Allowance will occur within the Dashboard.

- 3.2. b. As to Gold Journals, Wiley will request verification from the Customer. It is the responsibility of the Customer to verify, within their Dashboard, that the author qualifies as an Eligible Author. Customer will approve or deny requests for verification from Wiley within 5 days. If the Consortium requires more time, it must notify Wiley and Wiley will provide a reasonable extension.

- 3.3. **Editorial Independence.** Nothing herein will oblige Wiley to publish any article submitted to Wiley by an Eligible Author. The Customer acknowledges that the selection of material to be published is entirely at the discretion of Wiley/the editors, and the Customer agrees not to deny author verification based on the material. Wiley is permitted to elect not to publish any Eligible Article, and/or permitted to retract, withdraw, or publish a correction or other notice for an article accepted for publication, if for any reason, in Wiley's reasonable judgment, such publication would be inconsistent with the Core Practices and associated guidelines set forth by the Committee on Publication Ethics (<https://publicationethics.org/core-practices>) or would result in legal liability, violation of Wiley's ethical guidelines, or violation of journal ethical practices. The Customer waives any claim it may have against Wiley in the event that Wiley or its editors refuse or decline to publish any Eligible Article (or part thereof) submitted by an Eligible Author, or retract, withdraw, publish a correction or other notice with respect to any Eligible Article published by Wiley under this Agreement. An article will be considered to be selected for publication once the Eligible Author has been notified that the article has been accepted and Wiley has received the applicable author agreement signed by the rights holder(s) of the article.

4. TERMS AND CONDITIONS OF USE OF WILEY ONLINE LIBRARY, ELECTRONIC PRODUCTS, WOAA, AND DASHBOARD

- 4.8. The rights and restrictions governing access to Wiley Online Library and the Electronic Products by the Customer and its Authorized Users are outlined below.
 - 4.1. a. Authorized Users may download, search, retrieve, display and view, copy and save to a Secure Network or other electronic storage media and store or print out single copies of individual articles, chapters, or entries in the Licensed Electronic Products for the Authorized User's own personal use, namely scholarly, educational, or scientific research exclusively for Non-commercial use as defined within Section 1. Authorized Users may also transmit such material to a third-party colleague in hard copy or electronically, for personal use, namely scholarly, educational, or scientific research or professional use but in no case for the following uses: re-sale, systematic distribution, e.g. posting on a listserv, network (including distribution through social networking websites and scholarly collaboration networks (SCNs), except it is permissible to post on an SCN that has signed up to the STM sharing principles and solely in accordance therewith (see <https://howcanishareit.com>) or automated delivery, or for any other use not enumerated herein. In addition, Authorized Users have the right to use, with appropriate credit, figures, tables and brief excerpts from individual articles, chapters or other entries from the Licensed Electronic Products in the Authorized User's own scientific, scholarly and educational works such as books and articles. This right does not extend to use of material, including images or figures that are separately listed as the copyright of a third party.
 - 4.2. b. All Authorized Users have the option to create a My Profile Page, which will allow them to create data files and links to articles, chapters and entries of interest in the Licensed Electronic Products, and search criteria, which may be reused by them. To do so, the Authorized User will have to select and register a username and password which the Authorized User must keep confidential and not disclose it to or share it with anyone else.

- 4.3. c. The Customer and its Authorized Users may create links to Wiley Online Library from their Online Public Access Catalog (OPAC) records, library catalogs, link resolvers, locally hosted databases or library web pages, provided those links are operated by the Customer on a Secure Network, do not result in access to licensed content by anyone other than Authorized Users, and are not used in connection with any paid or commercial service or for any other commercial use whatsoever. Authorized Users may search, view, and browse Licensed Electronic Products using the interface provided by Wiley. Automated searching, robotic searching and decompilation are strictly prohibited.
- 4.4. d. Authorized Users who are members of the Customer's faculty or staff may download and print out multiple copies of material from Licensed Electronic Products for the purpose of making a multi-source collection of information for classroom use (course-pack) or a virtual learning environment, to be distributed to students at the Customer's institution free of charge or at a cost-based fee. Material from Licensed Electronic Products may also be stored in electronic format in secure electronic data files for access by Authorized Users who are students at the Customer's institution, as part of their course work, so long as reasonable access control methods are employed such as username and password.
- 4.5. e. During the Term, the Customer's library staff may supply either a single paper copy or an electronic copy of an individual article or excerpt of a work from the Licensed Electronic Products to another borrowing public library within the same country that directly requests it for the purpose of research or private study of a patron ("Interlibrary Loan"). 4.1. e.i. All copies must include the copyright notice and a statement that the borrowing library must not keep the copy after delivery to their patron. Electronic copies must be in PDF format and supplied by secure electronic transmission. 4.1. e.ii. If the Customer's library staff is using Interlibrary Loan to borrow from another library, the copy will be deleted after delivery to the Customer's library's patron. 4.1. e.iii. Interlibrary Loan cannot be used for direct or indirect commercial use or profit or for use with AI tools and technologies. Interlibrary Loan also cannot serve as a substitute for a subscription, purchase, access, or license to or of the Electronic Products by Customer or a third party. Customer agrees not to knowingly facilitate any of the foregoing restricted activities through Interlibrary Loan. 4.1. e.iv. Upon reasonable request from Wiley with at least thirty (30) days prior notice, Customer will make available to Wiley reports, documentation, policies, and other information reasonably necessary to demonstrate compliance with this Section ("ILL Audit Right"). Wiley will not exercise the ILL Audit Right more frequently than once in any calendar year.
- 4.6. f. All Authorized Users are bound by the Terms of Use which are available at <https://onlinelibrary.wiley.com/terms-and-conditions>. Wiley reserves the right to modify such Terms of Use as described therein. In the event of any inconsistency between the Terms of Use and this Agreement, such that the rights in the Terms of Use are materially narrower than the express rights in this Agreement, the terms of this Agreement control.
- 4.7. g. Authorized Users must be informed of, and agree to abide by, the Terms and Conditions of Use set forth herein.
- 4.8. Customer and Authorized Users are prohibited, without Wiley's express written permission, from (a) using or enabling AI Technologies to ingest, train, test, distribute, make publicly accessible, and/or generate output (including resulting from the use of artificial intelligence tools) based on the Licensed Electronic Products or any part thereof; or (b) uploading, copying, or hosting the Licensed Electronic Products or any part thereof to or for use in AI Technologies directly or indirectly (e.g., through the use of third-party plugins, extensions or decentralized custom chatbots associated with those AI Technologies).
- 4.9. a. The foregoing restrictions do not apply to: 4.2. a.i. AI Technologies that are used to improve

spelling, grammar, and general editing, or translation tools for the purpose of Non-commercial personal scholarly research ("AI Uses"), provided AI Uses will not allow AI Technologies to train on, or otherwise result in the training or fine-tuning of AI Technologies on, the Licensed Electronic Products; 4.2. a.ii. Licensed Electronic Products made available under a CC-BY license, for which the terms of the license apply (including the requirement of attribution).

- 4.10.b. Except as expressly permitted by Wiley or by statutory rights under applicable legislation, Wiley reserves all rights to make reproductions, adaptations, extractions, otherwise make use of the Electronic Products or any part thereof for TDM, artificial intelligence training, and similar technologies.
- 4.11. Except as expressly provided in Sections 4.1. and 4.2. above or with respect to material published on an open access basis (which material is governed by the corresponding open access license), neither Customer, nor Authorized Users may copy, distribute, transmit or otherwise reproduce, sell, or resell material from the Electronic Products; post or store such material in any form or medium in a retrieval system, network or listserv; transmit such material, directly or indirectly, for use in any paid service such as document delivery or list serve, or for use by any information brokerage or for systematic distribution, whether or not for commercial or non-profit use, or for a fee or free of charge; or integrate material from the Electronic Products with other material or otherwise create derivative works in any medium. However, brief quotations by Authorized Users for purposes of comment, criticism or similar scholarly purposes are not prohibited herein.
- 4.12. The Customer and its Authorized Users may not remove, obscure or modify any copyright or proprietary notices, author attribution or any disclaimer as they appear on Wiley Online Library, the Electronic Products, WOAA, or Dashboard.
- 4.13. Neither Customer, nor Authorized Users may do anything to restrict or inhibit any other Authorized User's access to or use of Wiley Online Library, the Licensed Electronic Products, Author Services, WOAA, or Dashboard.
- 4.14. If an Authorized User fails to abide by these Terms and Conditions of Use or other terms of this Agreement, infringes Wiley's Intellectual Property Rights, or the Consortium or a Customer hosts an authentication method and parameters that have been identified as abusive or malicious, Wiley reserves the right in its sole discretion to suspend or terminate access to Wiley Online Library, the Licensed Electronic Products, WOAA and Dashboard by such Authorized User or to terminate the authentication method and parameters immediately without notice, in addition to any other available remedies, and Consortium and the Customer will assist Wiley as necessary. Except in the case of a material breach which Wiley deems dangerous to the integrity and security of Wiley Online Library, or for a breach which, if not immediately remedied, is likely in Wiley's opinion to continue to cause damage, Wiley will give prior written notice to the Consortium and the Customer of its intention to terminate such access and will allow the Consortium and the Customer and/or the Authorized User as applicable thirty (30) days after receipt of such notice to cure the breach or agree to abide by the terms and conditions of this Agreement. The Consortium and the Customer must notify Wiley when malicious credentials associated with the offending authentication method and parameters have been remediated. Wiley will immediately restore services upon notification that credentials associated with the abusive or malicious activity have been remediated.

The Consortium is responsible for any applicable direct or indirect local, state, federal, or foreign taxes, levies, duties, or similar governmental assessments of any nature, including value-added, sales, use, or withholding taxes where required by law. Consortium will pay to Wiley the full amount of any invoice, regardless of any deduction that Consortium believes it is required by law to make, such that the net amount received by Wiley equals the full amount that would have been received had no such deduction or withholding been required. All Fees required by this Agreement are exclusive of any applicable taxes. Each Customer warrants that, where applicable to Customer, it is registered for VAT under applicable law and will promptly inform Wiley in the event that this changes. If upon audit Wiley is assessed additional value-added taxes in connection with this Agreement because a Customer is found not to be registered for VAT where applicable to Customer, Wiley reserves the right to invoice the applicable Customer retroactively for any additional associated assessment for value-added taxes.

5.7. In addition to all other remedies available under this Agreement or at law, Wiley is entitled to suspend the provision of any products or services, including but not limited to access to the Licensed Electronic Products, if the Customer fails to pay any fees as due under this Agreement within the payment terms stated in the applicable invoice. If Wiley executes this option, the

Consortium will not be entitled to any reduction in the payment due, nor refund due to the suspension.

- 5.8. The Consortium is responsible for ensuring that any third party authorized by the Consortium to make payments on its behalf will promptly pay Wiley the full amounts due under this Agreement.

5.10. a. In this context, a "Material Change" means: 5.10. a.i. the addition of new or the deletion of existing titles leading to an increase or decrease of five percent (5%) or more annually in the total number of titles for a specific Licensed Electronic Product; or 5.10. a.ii. the addition of new or the deletion of existing titles leading to an increase or decrease of five percent (5%) or more annually in Wiley's total financial value (based on institutional e-only subscription price) of the titles in a specific Licensed Electronic Product; or 5.10. a.iii. 6. MUTUAL OBLIGATIONS

6.8. In addition to the obligations set forth herein, Wiley will:

6.1. a. Make reasonable efforts to ensure uninterrupted online access to and continuous availability of the Licensed Electronic Products to Authorized Users in accordance with this Agreement, and to restore access to such Licensed Electronic Products as promptly as possible in the event of an interruption or suspension of the Wiley Online Library service which is not attributable to any third-party service provider over which Wiley has no control (e.g., an Internet or telecommunications service provider).

- 6.2. b. Provide aggregate usage statistics to the Customer which are compliant with COUNTER Codes of Practice or conform to the then-prevailing industry standard (except as otherwise specified in the attached Appendices) about the use of the Licensed Electronic Products by the Customer's Authorized Users, consistent with applicable privacy laws and confidentiality requirements.
- 6.3. c. Wiley will provide a Customer Success Manager (CSM) who works alongside the Customer's account manager, to ensure Customer and their Authorized Users have the resources and support needed to gain the most value from the partnership with Wiley.
- 6.9. In addition to the obligations set forth herein, the Customer will:
 - 6.2. a. Take all reasonable measures to inform Authorized Users of the Terms and Conditions of Use stated in Section 4 above, and to emphasize to such Authorized Users the need to comply with whatever restrictions on access, use, reproduction and transmission are included therein;
 - 6.3. b. Make access available to Authorized Users only through the Customer's Secure Network and using the authentication method(s) and valid parameters set forth in Schedule 1 or other secure authentication methods as described in the appropriate Appendix; undertake reasonable measures within its control to prevent access to and improper use of Wiley Online Library, the Licensed Electronic Products, WOA and Dashboard by unauthorized persons; and take responsibility for remediating all issues uncovered and for terminating any unauthorized access of which it has actual notice or knowledge;
 - 6.4. c. Provide Wiley with information in Schedule 1 about the Customer's specific authentication method and valid parameters which can be used by Wiley to authenticate Authorized Users. The Customer represents that all such authentication method and parameters will be limited to the Customer's Secure Network and will be listed in Schedule 1 as updated from time to time. The Customer is responsible for ensuring that all specific authentication methods and valid parameters as listed in Schedule 1 or otherwise provided to Wiley correspond with the Customer's valid parameters and are limited to the physical addresses specified in this Agreement. Without limiting the Customer's obligations hereunder or Wiley's rights and remedies in the event of breach, the Customer agrees to pay Wiley, if Wiley so elects, for any access to Wiley Online Library for any parameters that do not meet the preceding criteria.
 - 6.5. d. Use all reasonable efforts to monitor compliance with the Terms and Conditions of Use and promptly notify Wiley of any infringement of its Intellectual Property Rights or unauthorized usage of the Electronic Products, which comes to the Customer's attention; and cooperate with Wiley in the investigation of such infringement or unauthorized use and in actions, which Wiley takes to enforce its Intellectual Property Rights, at Wiley's expense. Notwithstanding the above, the Customer will not be responsible for such unauthorized use which is without the express or implied consent of the Customer, provided that the Customer has taken reasonable steps to prevent such misuse and, upon learning of it, uses all reasonable efforts to ensure that such activity ceases, and notifies Wiley promptly of any such breach or infringement.
 - 6.6. e. Except with respect to material published on an open access basis, neither the Customer nor any Authorized User has the right to incorporate any material from the Electronic Products into any institutional or other repository. Author agreements are separately negotiated with Wiley and include provisions about what authors may and may not do with respect to materials authored by them.

7. PRIVACY AND DATA PROTECTION POLICY

- 7.8. Wiley recognizes the importance of protecting the information it collects in the operation of Wiley Online Library and will act in compliance with the Privacy Policy posted at <https://www.wiley.com/en-us/privacy>.
- 7.9. To comply with Regulation (EU) 2016/679 of the European Parliament and of the Council (“GDPR”) and other applicable laws, statutes, and regulations relating to data protection and privacy, Wiley and Customer agree to the terms set forth in the Data Processing Addendum set forth in Schedule 2.

8. TERM AND TERMINATION

- 8.8. The Term of this Agreement commences on **January 1, 2026** and ends on **December 31, 2026** (the “Term”). Each year within the Term is a “Contract Year” (unless the Parties agree to a shorter time period for any Contract Year as specified in Appendix A.1).
- 8.9. During the term of each applicable Product Appendix, the Customer may license additional Electronic Products under such Product Appendix and this Agreement. If the Term of the Agreement as set forth in Section 8.1. is extended, the term of the applicable Product Appendix will be automatically extended to run concurrently with the Term in order to allow the Customer to continue to license additional products under such Product Appendix in subsequent years, unless otherwise provided in the applicable Product Appendix. Notwithstanding anything to the contrary, the Product Appendix term may never exceed the Term.
- 8.10. Either party may terminate this Agreement if the other party materially breaches its obligations under this Agreement and fails to cure such material breach, provided that:
 - 8.3. a. the non-breaching party will give written notice of its intention to terminate and will allow the breaching party sixty (60) days after receipt of such notice to remedy the breach; and
 - 8.3. b. where Consortium seeks to terminate due to a material breach by Wiley that is not cured, Consortium may terminate only as to the Customer materially affected by the breach and the Agreement will remain in effect for the Consortium and all other Customers.
- 8.4. Upon expiration or termination of this Agreement, the parties agree to work together in good faith to negotiate a new agreement. With the exception of any perpetual access rights as set forth in each applicable Appendix,
 - 8.4. a. the Access Rights herein will terminate on the earlier of the expiration or termination of this Agreement; and
 - 8.4. b. the Publishing Rights herein will terminate on the earlier of
 - 8.4. b.i. the expiration of the Publishing Right Period; or
 - 8.5. b.ii. expiration or termination of this Agreement. Wiley, in its sole discretion, may extend access to the Licensed Electronic Products for a limited period of time during the negotiation of a new agreement and subject to the Terms and Conditions of Use and the Customer obligations in Section 6.2.

9. WARRANTIES AND DISCLAIMERS

- 9.1. Wiley represents and warrants that it has the right and authority to make the Licensed Electronic Products available to the Customer and its Authorized Users pursuant to the terms and conditions of this Agreement and that, to the best of Wiley’s knowledge, the Licensed Electronic Products do not

- infringe upon any copyright, patent, trade secret or other proprietary right of any third party.
- 9.2. Wiley Online Library, the Electronic Products, Author Services, WOA, and Dashboard may provide Authorized Users with links to third-party websites. Where such links exist, Wiley disclaims all responsibility and liability for the content of such third-party websites. Authorized Users assume sole responsibility for accessing third-party websites and the use of any content on such websites.
 - 9.3. Except for the warranties provided by Wiley in Section 9.1 above,
 - 9.4. a. WILEY ONLINE LIBRARY, AUTHOR SERVICES, WOA, DASHBOARD, THE ELECTRONIC PRODUCTS AND ALL MATERIALS CONTAINED THEREIN ARE PROVIDED ON AN "AS IS" BASIS, WITHOUT WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF TITLE, OR IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE;
 - 9.5. b. THE USE OF WILEY ONLINE LIBRARY, AUTHOR SERVICES, WOA, DASHBOARD, THE ELECTRONIC PRODUCTS, AND ALL MATERIALS CONTAINED THEREIN IS AT THE AUTHORIZED USER'S OWN RISK;
 - 9.6. c. ACCESS TO WILEY ONLINE LIBRARY, AUTHOR SERVICES, WOA, DASHBOARD, THE ELECTRONIC PRODUCTS MAY BE INTERRUPTED AND MAY NOT BE ERROR FREE; AND
 - 9.7. d. NEITHER WILEY NOR ANYONE ELSE INVOLVED IN CREATING, PRODUCING OR DELIVERING WILEY ONLINE LIBRARY, AUTHOR SERVICES, WOA, DASHBOARD, THE ELECTRONIC PRODUCTS, OR THE MATERIALS CONTAINED THEREIN, WILL BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES ARISING OUT OF THE AUTHORIZED USER'S USE OF OR INABILITY TO USE WILEY ONLINE LIBRARY, WOA, DASHBOARD, THE ELECTRONIC PRODUCTS AND ALL MATERIALS CONTAINED THEREIN.
 - 9.8. Wiley will indemnify and hold Customer harmless from and against any damages, costs and fees (including reasonable attorney's fees) resulting from any judgment against Customer arising out of the claim of a third party that Wiley's license of the Licensed Electronic Products or Customer's use thereof as expressly permitted under this Agreement constitutes an infringement of any copyright, patent, or trade secret of any such third party. This indemnity will survive termination of the Agreement for two years. This indemnity will not apply if the claim involves content which has been modified or used in a manner not permitted under this Agreement or if Customer has failed to comply with other material terms of this Agreement.
 - 9.9. Customer must give prompt notice of an infringement claim to Wiley, provide such cooperation and assistance to Wiley as is reasonably necessary to defend the claim, and allow Wiley to have the sole control of the defense, provided, however, that the Customer retains the right to participate in the defense at its own expense.
 - 9.10. The Consortium represents and warrants that it has been granted the authority to sign this Agreement on behalf of the Customers and will compensate, indemnify, and hold Wiley harmless from and against any damages, costs and fees (including reasonable attorney's fees) as a result of such warranty being incorrect or misleading. This warranty and indemnity will survive the termination of the Agreement.

10. CONFIDENTIALITY PROVISIONS

- 10.1. While negotiating this Agreement and during the Term thereafter, Wiley may provide the Customer with certain information, which may be oral or written (including information in electronic format), which is deemed confidential. For the purposes of this Agreement, Confidential Information is defined to include, but is not limited to, the terms and conditions of this Agreement that have been negotiated, such as financial terms, the substance of all negotiations relating thereto, all information pertaining to Wiley Online Library which is proprietary to Wiley, and any other material which has either been marked "confidential" by Wiley or which, by the nature of the circumstances surrounding the disclosure, would be understood to be confidential by a reasonable party.
- 10.2. The Customer may only use Confidential Information for the purposes of negotiating and implementing this Agreement. The Customer agrees to take reasonable care to protect the Confidential Information from disclosure to third parties and to limit disclosure of the Confidential Information to those employees or contractors of the Customer including affiliates of the Customer who have a need to know in connection with this Agreement, and who have been made aware of, and agree to abide by, these restrictions. When disclosure is legally mandated, the parties will use, whenever possible, a version of the Agreement without Confidential Information.
- 10.3. A redacted version of the Agreement may be made public thirty (30) days after the last day on which it has been duly executed by Consortium and Wiley, and all fees paid by the Consortium will be kept confidential and redacted from any public disclosure.

11. GENERAL PROVISIONS

- 11.1. The Consortium and Wiley will work together on a joint communications plan for the announcement of the Agreement, agreeing to the content and timeline for messages to stakeholders (such as librarians, authors, university leaders), as well as public statements and press releases.
- 11.2. Wiley may assign this Agreement to its successors, subsidiaries or assigns. This Agreement may not be assigned by the Customer except with the prior written consent of Wiley.
- 11.3. In the event of a material breach of the terms and conditions of this Agreement by either party, the non-breaching party will be entitled, in addition to any other remedies available pursuant to this Agreement or at law, to equitable, including injunctive, relief.
- 11.1. Notwithstanding any other term in this Agreement, neither party's delay or failure to perform any provision of this Agreement due to circumstances beyond its control (including, without limitation, war; civil disorder; strike; flood; fire; storm; accident; terrorism; governmental restriction; infectious disease; epidemic; pandemic; public health emergency; embargo; power, telecommunications or Internet failures; damage to or destruction of any network facilities; the enactment of any law, executive order, or judicial decree; or any other circumstance beyond a party's control whether similar or dissimilar to the foregoing) ("**Force Majeure**") will be deemed to be, or to give rise to, a breach of this Agreement. The party claiming Force Majeure will provide written notice of the circumstances (where possible) and will be entitled to a reasonable extension of time for performing such obligations. Where Wiley is claiming Force Majeure, Wiley will be entitled to implement a reasonable alternative where practical under the circumstances and if its inability to perform continues for more than thirty (30) days or it is inadvisable or commercially impractical to perform due to Force Majeure, the parties will renegotiate the terms set forth in this Agreement to mitigate the effects of the Force Majeure and Wiley and the Consortium will conduct all such renegotiations in good faith.
- 11.2. Any notice, request, statement or other communication to be given hereunder to any party must be in writing addressed to Wiley at the address on page one, attention Executive Vice President, and

with a copy to legalnotices@wiley.com, and to the Customer's Agreement Administrator at the address on Schedule 1, or mailed or delivered to such other address as each party may designate by notice given in like manner, and any such notice, request, statement or other communication, will be deemed to have been given when received, except that if mailed by registered or certified mail, return receipt requested, or delivered by overnight courier service, it will be deemed to have been given when mailed as aforesaid or when delivered.

- 11.3. This Agreement with Wiley internal number 54057 constitutes the complete understanding of the parties and supersedes all prior understandings between the parties with respect to the subject matter of this Agreement. No modification, amendment, or waiver of any provisions will be valid unless in writing and executed by the parties. Any waiver in one or more instances by either of the parties of any breach by the other of any terms or provisions contained in this Agreement will not be considered a waiver of any succeeding or preceding breach. In the event that any section of this Agreement is determined to be void or unenforceable, the remainder of the Agreement will survive.
- 11.4. **Severability.** The parties agree that if any provision of this Career Center Agreement is held by a court of competent jurisdiction to be illegal, invalid, or unenforceable, the remaining provisions will remain in full force and effect and the illegal, invalid or unenforceable provision will be replaced with a provision that is legal and valid and most closely reflects the intent of the parties.
- 11.5. **Waiver and Cumulative Remedies.** No failure or delay by either party in exercising any right under this Agreement shall constitute a waiver of that right. Other than as expressly stated herein, the remedies provided herein are in addition to, and not exclusive of, any other remedies of a party at law or in equity.
- 11.6. The parties waive any rule of construction that requires that ambiguities in this Agreement be construed against the drafter.
- 11.7. In the event that this Agreement is executed in English and in a translated version, each party acknowledges that it has reviewed both language versions and that they are substantially the same in all material respects. If there is any discrepancy between these two versions, the English language version will prevail to the extent of the inconsistency.

- 2.2. *Customer’s Processing of Personal Data.* Customer shall, in its use of the Electronic Product and Services, Process Personal Data in accordance with the requirements of Data Protection Laws, including any applicable requirement to provide notice to Data Subjects of the use of Wiley as Processor. Customer represents and warrants that it has provided notice and obtained all consents and rights to the extent required by Data Protection Laws for Wiley to Process Customer Personal Data and provide the Electronic Product and Services. Customer shall ensure that its instructions for the Processing of Customer Personal Data comply with, and will not cause Wiley to be in breach of, Data Protection Laws. As between the Parties, Customer is solely responsible for (i) the accuracy, quality, and legality of the Customer Personal Data provided to Wiley by or on behalf of Customer, (ii) the means by which Customer acquired Customer Personal Data, and (iii) the instructions it provides to Wiley. Customer specifically acknowledges that its use of the Electronic Product and Services will not violate the rights of any Data Subject that has opted out from sales or other disclosures of Personal Data, to the extent applicable.
- 2.3. *Wiley’s Processing of Personal Data.* Wiley shall Process Customer Personal Data in compliance with Data Protection Laws and only for the following purposes: (i) Processing to provide the Electronic Product and Services; (ii) Processing initiated by Data Subjects in their use of the Electronic Product and Services; and (iii) Processing to comply with other documented reasonable instructions provided by Customer where such instructions are consistent with this DPA and Data Protection Laws. If Processing of Customer Personal Data is required by laws to which Wiley is subject, Wiley shall to the extent permitted by law inform Customer of the legal requirement before such Processing occurs.

The list of Subprocessors engaged by Wiley for the provision of services specifically related to the Agreement as of the date of this DPA is set forth in Schedule 2a, attached hereto, and Customer hereby consents to such Subprocessors.

- 5.2. *Notification of New Subprocessors and Customer's Right to Object.* Wiley will give written notice to Customer of the appointment of any new Subprocessor for the provision of services specifically related to the Agreement that may process Customer Personal Data. If, within ten (10) business days of receipt of that notice, Customer (acting reasonably and in good faith) notifies Wiley in writing of any objection to the appointment, Wiley will use reasonable efforts to address Customer's objection or recommend a commercially reasonable change to Customer's use of the Electronic Product and Services to avoid Processing of Customer Personal Data by the objected-to new Subprocessor. After this process, if a resolution has not been agreed to within ten (10) business days, Wiley will proceed with engaging the Subprocessor.
- 5.3. Where a Subprocessor fails to fulfill its data protection obligations in connection with the Processing of Customer Personal Data under this DPA, Wiley will remain fully liable to Customer for the performance of that Subprocessor's obligations.

- 6.1. Wiley shall notify Customer without undue delay and at least within 72 hours upon becoming aware of a Personal Data Breach. Wiley shall provide Customer with sufficient information to allow Customer to meet any obligations to report or inform Data Subjects of each such Personal Data Breach under Data Protection Laws. Wiley shall make reasonable efforts to cooperate with Customer and take reasonable commercial steps to assist in the investigation, mitigation and remediation of each such Personal Data Breach, to the extent such mitigation and remediation is within Wiley's reasonable control. If Wiley receives a request from a Data Subject under any Data Protection Law in respect of Customer Personal Data, Wiley shall: (i) promptly notify Customer; and (ii) ensure that it does not respond to that request except on the documented instructions of Customer or as required by laws to which Wiley is subject, in which case Wiley shall to the extent permitted by law inform Customer of that legal requirement before responding to the request.

8. Data Protection Impact Assessment and Prior Consultation

- 8.1. Wiley shall provide reasonable assistance to Customer with any data protection impact assessments and prior consultations with Supervisory Authorities or other competent data privacy authorities, which Customer reasonably considers to be required by Data Protection Laws, in each case solely in relation to Processing of Customer Personal Data by, and taking into account the nature of the Processing and information available to, Wiley.

Wiley shall comply with any such written request within sixty (60) days of the Cessation Date. Upon Customer's request, Wiley shall provide written certification that it has fully complied with this Section. Notwithstanding the foregoing, Wiley may retain Customer Personal Data to the extent required by applicable laws or regulatory requirements or otherwise pursuant to Wiley's internal data backup procedures, provided that such copies are kept confidential and secure in accordance with this DPA.

Wiley need not give access to its premises for the purposes of such an audit: (a) to any individual unless they produce reasonable evidence of identity, authority, and a duty to maintain confidentiality with respect to the Customer Personal Data and any Wiley information reasonably considered confidential; or (b) outside normal business hours at those premises, unless the audit by law needs to be conducted on an emergency basis and the Customer has given reasonable notice of such emergency to Wiley before any audit or inspection occurs.
- 10.3. Customer will not exercise such audit right more frequently than once in any calendar year and Customer will bear the full cost and expense of any such audit, unless such audit discloses a security incident which directly impacts Customer Personal Data and is caused by Wiley's breach of this DPA, in which case Wiley will bear the reasonable cost and expense of such audit.

11. Restricted Transfers

- 11.1. Customer acknowledges and agrees that Processing of Customer Personal Data may include transferring Customer Personal Data outside the Data Subject's country of residence. Customer shall obtain all necessary consents from Data Subjects for such transfers of Customer Personal Data. Where, under Data Protection Laws, there are (or there become) restrictions, approvals or conditions placed upon Customer or Wiley transferring Customer Personal Data outside the Data Subject's country of residence, the Parties shall comply with all such requirements.
- 11.2. To the extent that Wiley Processes any Customer Personal Data that originates from the United Kingdom in a country that has not been designated as providing an adequate level of protection for Personal Data, Wiley and Customer hereby agree to the clauses set out in the European Commission's Decision of 5 February 2010 on standard contractual clauses for the transfer of personal data from the European Union to processors established in third countries ("UK SCCs"). Where applicable, the UK SCCs are hereby incorporated by reference into and form an integral part of this DPA as if fully set forth herein, and the Parties' execution of this DPA shall be deemed as the Parties' execution of the UK SCCs. The information required by Appendix 1 and Appendix 2 to the UK SCCs is set forth in Schedule 2a, attached hereto. If the UK SCCs are amended, replaced, or superseded by a new set of clauses, Wiley and Customer hereby agree to such new clauses with an effective date of the latest date permitted by the relevant authority.

G. Description of the technical and organizational measures implemented by Wiley

Cybersecurity and Privacy Strategy

Wiley protects its infrastructure and the personal data within it according to the information security principles of confidentiality, integrity, and availability. Our security program is based on the NIST Cybersecurity Framework (CSF), including but not limited to our policies, standard operating procedures, and technical controls. Our privacy program is based on the NIST Privacy Framework to complement and expand our security controls while meeting contractual and legal privacy requirements. Wiley's approach to security and personal data protection incorporates both technical controls and organizational processes.

Confidentiality

A mandatory security education and awareness program is in place to educate internal users on the importance of their obligation to protect the confidentiality of personal data. Employee background checks are performed before granting personnel any data access, and employees are required to acknowledge the commitment to confidentiality of any data they may access in the performance of their duties. Single sign-on (SSO), multi-factor authentication (MFA), and complex password requirements are in place to enforce secure authentication. Wiley follows the principle of least privilege by restricting data access to only individuals with a valid job-based reason to access production information.

Vendor contractual obligations are required for third-party sub-processors prior to any personal data access or transfer to require that the same level of protection be maintained throughout the duration of any vendor engagements, with stipulations covering security and confidentiality of personal data.

Wiley's information security policy requires all sensitive data to be encrypted both in transit and at rest. Endpoint protection is implemented to prevent and detect malware and other security threats. Firewalls and network anomaly detection systems are continuously monitored by the Wiley Security Operations Center (SOC). The Wiley SOC monitors all system security alerts and investigates incidents which may impact the confidentiality, integrity, or availability of the environment or data within it.

Integrity

Wiley uses only hosted data center vendors with appropriate physical security and environmental controls which adhere to SOC 2 Type II as well as ISO 27001 certification standards. Production data is separated from development environments, and a formal change management process is in place to prevent unauthorized changes. To manage vulnerabilities, monthly scans are performed to confirm that the appropriate level of security patching and configuration is maintained. Secure audit logs are in place for nonrepudiation and traceability.

Availability and Resilience

Wiley uses industry-recognized hosted data center vendors with ISO 27001 and SOC 2 certifications to achieve high availability and resilience. Business continuity and disaster recovery plans are in place and tested periodically to confirm process effectiveness. Backups are taken and stored per data classification and retention requirements to enable restoration. Anti-DDoS protection is in place, and application security reviews are conducted on Wiley sites.

Risk Management

Wiley has implemented a data risk management strategy that considers the risks of accidental or unlawful destruction, loss, alteration, unauthorized disclosure of, or access to personal data transmitted, stored, or otherwise processed. Wiley considers the likelihood and severity of the risks to individuals whose personal data Wiley may process in the performance of service contracts. Data protection is considered throughout the lifecycle of products and services, and technical personnel are trained in privacy by design and default.

Incident Response and Breach Notification

Wiley maintains a 24x7x365 Security Operations Center (SOC) that responds to and investigates system or security alerts as well as reported incidents. Wiley has implemented an Incident Response Plan (IRP) which prioritizes regulator and/or client breach notification requirements when they are applicable to a security or privacy incident.

Where Wiley is engaged as a sub-processor on behalf of a client, Wiley will not notify individual data subjects affected by a breach directly and will instead notify the client of a data breach no later than the timeline specified in the agreement.
